

Dear Sirs/M'ams,XM Radio is a service I subscribe to. As such, I see this no differently than cable TV vs. local television broadcasts. I travel alot in my position and having traffic and weather available as I enter a major metropolitan area is priceless to me. When I have to fly, I make sure that my rental car has XM radio in it, once again, a service I pay for. I would respectfully ask you to REJECT NAB's petition 04-160 on the grounds that I have entered into a contract to have these services provided to me. I view NAB's petition 04-160 as an attempt at restraint of trade.

Sincerely,

Mark A. Visbal
